Opportunity is really knocking here! We have the pleasure of offering this stunning rural property set on 18.11 Hectares (44.74 acres) of scenic, gently undulating land which is predominately pasture with some lovely remnant mature native trees and abundant water. Water supply here is excellent with a dam and Windmill, so no shortage of water. The soils are fabulous as well and more than capable of keeping horses as it currently does, with no need to bring feed in at all as the pasture is more than ample. Perfect to keep other stock as well.

Infrastructure on the property is all up to scratch as well with excellent fencing and water to each of the paddocks. Boasting two road frontage, access to all of the property is easy as well for vehicles to come and go.

Conveniently located near Margaret River (approx. 10-minute drive) in one of the regions prettiest areas with access to nearby Sues Rd, you can avoid going through Margaret River, Cowaramup, Vasse and Busselton if you want to go to Bunbury or Perth or just make a leisurely drive around those smaller towns to get to Busselton Airport or Busselton itself (approx. 25-minute drive).

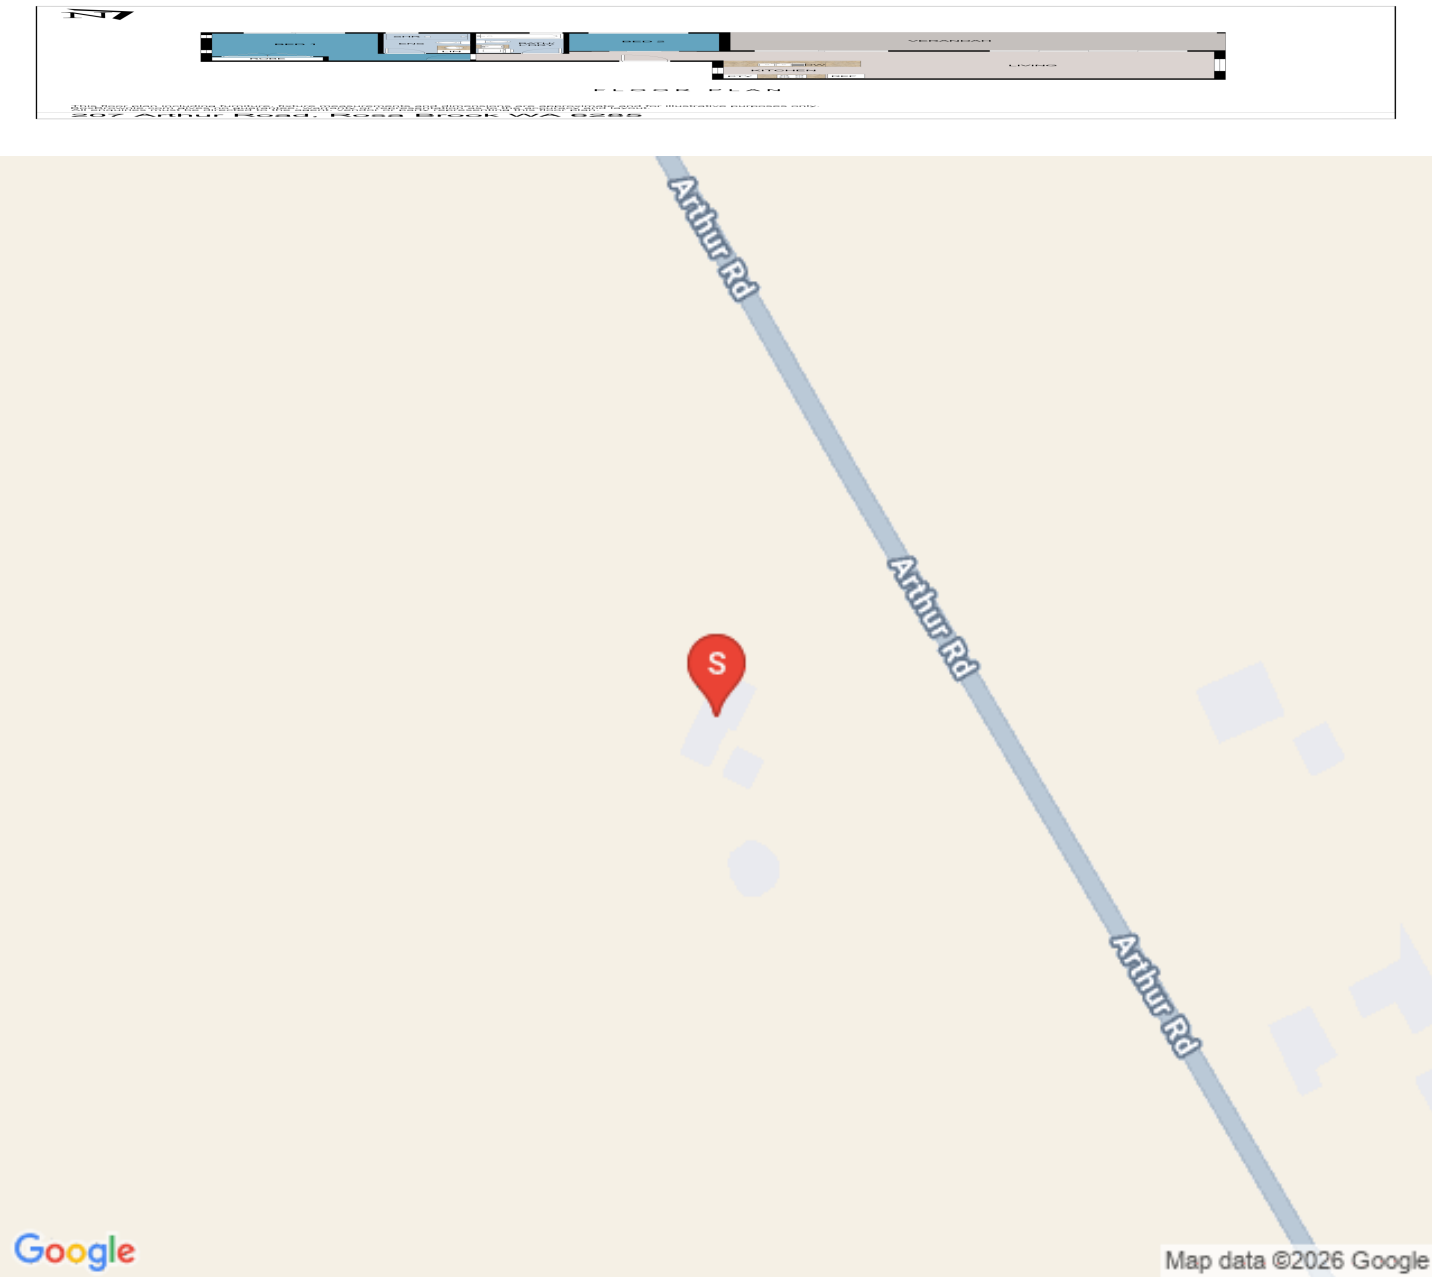

The modern dwelling is fantastic and very well built by Tectonics and consists of 2 x 2 residence with matching enclosed garage and large rainwater tank. All built and installed around 2018. The residence is set up high in a commanding position to the east side of the property with beautiful

views over the entire acreage to the north and northwest taking in distant valley views of the surrounding countryside.

Positioned between the delightful hamlet of Rosa Brook Townsite and Margaret River, the locale is awesome. Convenient, but private and peaceful, just far away from the madding tourism sectors of the Cape, but close enough for a quick trip for supplies or some cafe retail therapy.

Pricing will be Offers above \$1,550,000 and the property will be sold with vacant possession, so you can get the keys as soon as you can settle.
